

The EMEA Conference on Access **2009**

Growing Communications Together

We are pleased to welcome you to The EMEA Conference on Access 2009.

**The conference will be held in Dublin, Ireland,
June 24-26th.**

Experts and decision makers across a broad segment of the carrier, service provider and industry community will be on-hand to share their access network experiences.

If you would like to take part, please note that this event is not only for carriers, ISPs and mobile operators, but also for enterprise end users such as banks, utilities and power companies, mass transportation authorities, and government agencies.

The EMEA Conference on Access 2009 will take place in the beautiful City of Dublin, Ireland, in The Burlington Hotel.

If you would like to attend the conference, or have any questions about it, please contact ilana_r@rad.com.

We look forward to seeing you!

- **Learn** how to generate more revenues from multiservice access!
- **See** how to efficiently migrate to new packet-switched infrastructure!
- **Hear** more about deploying money-making VoIP services
- **Leverage** your existing network infrastructure for new services!
- **Optimize** your corporate network for multiple traffic types!
- **Explore** efficient access solutions for utility/transportation networks!
